ENTERTAINMENT

When you reminisce about foosball in the 1970's, one of the first memories is the wonderful FOOSBALL songs created by the talented musician Gary Paulak of Minnesota, a member of the Mid-West Music Hall of Fame and a 2015 inductee of the prestigious National Foosball Hall of Fame. Gary, an accomplished professional player, captured the intensity of foosball in the 70s with songs about legendary players such as Jim Wiswell, Mike Bowers, Lori Schranz, and others. Gary is staging a concert Saturday evening to debut a new FOOSBALL song with the names and adventures of foosball as it is today.

Tournament payouts are based on entry fees collected and are projected based on 300 full registered players. Payouts for this tournament have been met every year to date. Tournament staff are volunteers and play for free.
